**Tree Plantation**

**DATE:-3<sup>rd</sup> September 2019**

On the beautiful morning of September 3<sup>rd</sup>, 2019, the AAER's Asian College of Science and Commerce hosted an event in the peaceful surroundings of Dhayari Pune 41. The purpose of the event was to plant trees for the National Service Scheme (NSS) Department of the college, and it was a massive success. Volunteers, teachers, and non-teaching staff all participated enthusiastically.

The volunteers showed great passion and dedication during the tree-planting activity. They not only planted saplings but also removed unnecessary grass from the dying plants to ensure they received the necessary nutrients and sunlight. Additionally, the volunteers took great care to water and nurture the plants.

The event was made even more special by the presence of the teachers and non-teaching staff of the college, who joined forces with the volunteers to make the event a success. Their encouragement and motivation boosted the participants' enthusiasm even further.

The event was a significant achievement and helped instil a sense of environmental responsibility and awareness among the participants. The tree planting activity was an essential step toward a greener and more sustainable future for the community.

**Blood Donation Camp on the Institution's Anniversary**

DATE: 5<sup>th</sup>Oct 2019

On 5<sup>th</sup>Oct 2019 the Asian College of Science and Commerce located in Dhayri, Pune, recently hosted a remarkable Blood Donation Camp as part of the National Service Scheme (NSS) program titled "Blood Donation Camp" in honor of the Anniversary of the Asian Academy of Education and Research Pune. The event reflected the college's profound social commitment and responsibility towards the community and was inaugurated by the illustrious President of the college, MsAnitajiSapte, who lit the lamp and worshipped Saraswati to mark the commencement of the event.

Several distinguished personalities, including the esteemed Secretary of the Institution, Mr. AniljiSapte, the Vice President Mr. AnandjiSapte, and a member of Narhe Gram Panchayat, graced the event with their presence. Despite the presence of a vast number of individuals, some were unable to donate blood due to low blood pressure and weakness. The event saw the participation of the college's eminent principal, MrShivajiRaoKakade, along with the HODs of the department, teaching and non-teaching staff, and several professors who showed their support for the noble cause. While some were enthusiastic about contributing, others had to

decline due to poor health. However, it was emphasized that good health is of paramount importance when it comes to blood donation work.

In conclusion, the Blood Donation Camp was completed, and we extend our heartfelt gratitude to everyone who participated in this noble cause. The college's unwavering commitment to social responsibility is commendable, and we hope that more such events will be held in the future to promote awareness and contribute to the development of society.

**FLOOD RELIEF FUND**

Date-22 August 2019

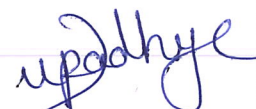

Under the National Service Scheme (NSS) Department of the Asian College of Science and Commerce, Dhayari, Pune-41 funds were collected from the students, professors, and board of directors of the college to help the flood victims. Savitribai Phule Pune University Vice Chancellor Dr Nitin Karamalkar and National Service Scheme Coordinator as per the appeal of Dr Prabhakar Desai, the Asian College collected this fund of Rs.21,000 and this fund was deposited through NEFT/RTGS in the Maharashtra flood-affected Vice-Chancellor's Fund in the National Service Scheme Department of the University.

Floods in Sangli and Kolhapur and drought in Marathwada and western Maharashtra have caused a huge loss of life and money in Maharashtra. The funds were collected by Asian College to provide financial assistance to the flood victims as a matter of humanity.

**Swachh Vari, Swasth Vari, Nirmal Vari and Harit Vari**

**Date: July 02<sup>nd</sup>, 2019**

On Tuesday, July 02, 2019, at Valhe on Vari Marg Valhe, the Shri Sant Dnyaneshwar Maharaj Palkhi celebration's occasion was marked by various activities aimed at promoting cleanliness and hygiene. The Swachh Vari, Swasth Vari, Nirmal Vari, and Harit Vari campaigns were organized for two days to raise awareness about the importance of keeping the environment clean and green.

The campaign was carried out in collaboration with several colleges affiliated with Savitribai Phule Pune University, which supported this noble cause. After the palanquin moved forward, volunteers collected all the papers and other waste from that place and dumped them in the pit designated for making compost. Dry waste and wet waste were segregated and disposed of properly. Later, all the volunteers enjoyed the food together, bringing a sense of community and camaraderie to the event.

A total of 40 volunteers from the National Service Scheme in Asian College enthusiastically participated in this cleanliness drive. The success of this campaign can be attributed to the guidance and support provided by the Program Officer of the National Service Scheme, Prof. Kengar R. S., and Assistant Professors Ghanshyam Devare and Prof. Suryavanshi Prabha, who were present throughout the event. The Founder President Hon. Anita Sapte, Vice President Hon. Anand Sapte, Secretary Hon. Anil Sapte, Principal Dr. Jayashree Upadhyay, and Vice Principal Prof. Sagar Gunjal played a crucial role in making this campaign a grand success.

## NIRMALYA SANKALAN

DATE-07<sup>TH</sup> September 2019

The Asian College of Science, Commerce, and Art's Dhayari Pune-41, in partnership with the Department of National Service Scheme (NSS), has implemented a program called the 'Nirmalya Sankalan Upakrama' at Wadagaon Bridge. The goal of the program is to reduce water pollution during Ganeshotsav by preventing unsanitary conditions and water contamination in reservoirs due to Nirmalya dumping.

As part of the program, volunteers from the National Service Scheme carry out "Nirmalya collection activities" every year. They encourage the public to use environmentally friendly idols, dump garbage in bins, avoid using plastic, and other measures to prevent harm to the environment. During this time, students and swayamsevak also help.

The event was successful in collecting Nirmalya from the public and spreading awareness about the program. The project was implemented under the guidance of Mayura Dudhane, with support from the President Hon. Anita Sapte, Vice President Hon. Anand Sapte, Secretary Hon. Anil Sapte, Principal of the college Dr. Sagar Gunjal, and Vice Principal of Education.

**River Cleaning**

**"Revitalizing River Ecosystems: The Imperative of River Cleaning Initiatives"**

**Date-24<sup>th</sup> September 2019**

Rivers are the backbone of ecosystems, but they are increasingly threatened by pollution and human activities. Consequently, river cleaning initiatives have become critical undertakings aimed at restoring and preserving the ecological well-being of these crucial water bodies.

On NSS Day, Asian College of Science and Commerce Dhayari, Pune-41, collaborated with the NSS department and volunteers to spearhead a program to clean 'The Mula Mutha River' at the Rajaram Bridge area on September 24, 2019. The event was graced by several respected dignitaries, including the founder president of the organization, Hon. Anita Sapte, the Secretary of the organization, Hon. Anil Sapte, and the Vice President of the organization, Hon. Anil Sapte, alongside other notable guests.

The volunteers collected, sorted, recycled, and disposed of garbage, plastics, organic matter, and other pollutants from the river and its banks using various tools, equipment, and materials such as gloves, garbage bags, rakes, shovels, boats, and safety gear.

The river cleaning initiative, led by the NSS Program officer Prof. Kengar R. S. and volunteers, plays a vital role in revitalizing and safeguarding river ecosystems, with both teaching and non-teaching staff also actively involved in the cleanup efforts. In conclusion, the river cleaning exercise was a resounding success, and we extend our heartfelt gratitude to everyone who participated in this noble initiative.
