The event was graced by the presence of Honorable Anita Sapte, the president of the organization, Honorable Anil Sapte, the secretary, and Honorable Anil Sapte, the vice president.

The principal of the college, Dr. Shivajirao Kakade, the vice-principal, Honorable Shruti Rege, department heads, teachers, and non-teaching staff were also present at the event. The participation of 42 volunteers from the National Service Scheme made the Nirbhaya Kanya initiative a grand success.

The initiative aimed to empower and educate young girls about their rights and safety, creating awareness about gender equality and the importance of education. Through the initiative, the college sought to promote and support the girl child, enabling them to become confident, independent, and self-sufficient individuals.

The Nirbhaya Kanya Abhiyan initiative is a step in the right direction, and the college deserves praise for taking such a proactive stance. The event was a resounding success, and it is hoped that it will inspire other educational institutions to take similar steps to empower young girls.

World Sparrow Day

Date:20th March 2022

The celebration of World Sparrow Day is a global initiative aimed at raising awareness about the importance of sparrow habitats and the challenges facing common birds in urban environments, particularly during the summer months. In honor of this occasion, the Asian College of Science and Commerce Dhyari, Pune-41 marked the occasion on March 20th, 2022, by distributing bird nests and water containers in various locations throughout 'Talajai Tekadi'. The provision of over 100 water containers and nests was made possible by the generosity of the "Asian Academy of Education and Research Pune Institute".

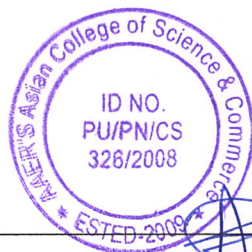

The event also included an awareness campaign aimed at educating members of the public about the threat of extinction facing sparrows due to the high temperatures experienced during the summer months and the measures that can be taken to protect these birds from dehydration and heatstroke. The campaign was conducted in various localities within 'Talajai Tekadi', including societies, shopping centers, and other public areas.

Hon. Anita Sapte, the Founder President of the Asian Academy of Education and Research Pune Institute, Hon. Mr. Anilji Sapte, the organization's Secretary, and Hon. Mr. Anandji Sapte, the Vice President, all generously contributed their time and resources to support the campaign.

To optimize the strategic significance of the event, water pots were strategically positioned on college premises, and additional pots were distributed throughout Dhayari village. Under the able guidance of Asst. Prof. Kengar R. S., volunteers engaged in the production of plastic pots using recycled plastic materials. These pots have been strategically placed within the college to facilitate easy access by birds in need of hydration. The National Service Scheme (NSS) volunteers were fully engaged in this activity, and their commitment and dedication played a critical role in the successful outcome of the event.

STREET PLAY -BETI BACHAO BETI PADHAO

Date: 8th March 2022

On 8th March 2022, the NSS volunteers of the Asian College of Science & Commerce Dhayari, Pune-41, organized a street play on the theme of 'BETI BACHAO BETI PADHAO' to celebrate the birth anniversary of Rajmata Jijau and Swami Vivekananda. The event was aimed at raising awareness about the critical issue of gender-based violence in Dhayari village, and the performance was called Phenomenal Women. The play highlighted the various forms of violence that women face in both public and private spaces, including domestic violence, sexual harassment, and discrimination.

The cast and crew of the street play consisted of NSS volunteer members, including the director and writer of the play, Prof. Ravi Kengar, technicians, and volunteers. The play was performed in Marathi, the local language, to ensure that the message reached as many people as possible. The performance was open to all, and many members of the community attended to show their support.

The street play was a powerful medium to raise awareness about gender-based violence and to convey the message that women should be respected and treated equally. The performance highlighted the need for society to change its attitudes towards women and to work towards creating a safe and inclusive environment for all. The audience appreciated the performance and pledged to help change attitudes so that society could change for the better and free itself from the layers of violence.

The program concluded with the actors introducing themselves and thanking the audience for their support. The event was a success, and the NSS volunteers hope to organize more such events to raise awareness about social issues and bring about positive change in the community.
