**CAREER COUNSELLING**  
**STUDYING ABROAD & LANGUAGE TRAINING**

Date : 10/05/2023

The **career counselling program** conducted in collaboration with Asian College of Science and Commerce, Pune 41, and Chinmay Education Consultancy, Pune, has proven to be a successful endeavour. This initiative aimed at guiding students towards lucrative career opportunities abroad.

Throughout the program, students were provided with timely guidance and counselling to explore and pursue opportunities for higher education and employment overseas. The focus was on offering comprehensive support to those aspiring to study abroad, leading to potential employment prospects.

We are pleased to highlight a notable success story from this initiative. **Shantanu Shankar Dudhale**, a member of the **BSc Botany class of 2019**, pursued an **MBA** at a renowned school in Germany. This accomplishment stands as a testament to the effectiveness of our career counselling efforts.

We believe that by continuing such initiatives, we can empower more students to explore global opportunities and achieve success in their chosen fields.

Thanks and Regards,
